TURNING FOR COLLAR

Note – When pattern specifies **turn** – proceed as follows to avoid holes in work. Take yarn under needle and onto other side of work, slip next st onto right-hand needle, take yarn under needle and back to original position, slip st back onto left-hand needle, then turn and proceed as instructed in pattern.

If the last stitch was knitted, take the yarn under the needle to the front of the work as for purling (if the last stitch was purled, take yarn to the back as for knitting).

Slip the next stitch from the left-hand needle to the right-hand needle (this is the first stitch not being worked). Take the yarn back to its original position.

Slip the stitch back onto the left-hand needle. The unworked stitch now has the yarn wrapped around it – this is what prevents a hole.

Turn the work and work the next row as required.
